Summary

- ☐ Over a year of experience as a front-end developer and web designer.
- ☐ Highly driven, fast learner with great communication skills as demonstrated by Mentoring others with HTML & CSS at Canada Learning Code events.
- ☐ Use to working in project mode and enjoys participating in challenges such as Hackathons.
- ☐ Excellent team member who brings creativity and design perspective.
- ☐ Great attention to detail checking for design, technical, visual errors & conformity.

Skills

HTML5	React	BitBucket	Photoshop
CSS3	Grunt	Agile	Shopify
Bootstrap	Git	Scrum	Cloud
SASS	GitHub	Jira	Node
Gulp	BugHerd	Commerce	Terminal
JavaScript	InVision	SourceTree	WordPress

Hackathons

JAMstack Hackathon freeCodeCamp | Remote Team Grilled Chicken | 2018
The challenge was to complete a project using JavaScript, APIs & Markup in 24hrs. My contribution was the concept to add dog adoptions by matching dogs to people looking for a dog along with the look of the site.
Tools: JavaScript, React, html, css

Do_action_mtl | Team Peter McGill | 2018
The challenge was to help a charity to create a WordPress site in 8hrs. My contribution was to help the charity clarify their requirements, added content, Quality Assurance.
Tools: Html, WordPress

Repenser l'ecole Hackathon | Team Easter eggs | 2017
The challenge was to rethink the grading structure to present in 2 days. Evolistik is a badge rewards system used for academic evaluation. Team collaboration took this idea from conceptual to presentational, developing content and layout.
Tools: Html, Css, Bootstrap

Projects

Mad Science Netherland   https://nederland.madscience.org/en-US/
Following US site's style, given mockups & content to created new bilingual site.

Doggie Match Hackathon Project   https://loving-clarke-444361.netlify.com/
Team took third place in the global JAMstack remote Hackathon and won 2 sponsor prizes. Responsible for the concept and design layout on this group project.

Athletica by Katrina https://github.com/Michelle-Lefebvre/Athletica
Created static site design to launch her personal trainer career.

Experience

Front-End Developer | Reflektions.com | June 2018 - Present
Provide the user interface solution to the back-end programming team, including the final look, feel and behaviour of the interface in different contexts. Ensure that projects are delivered on-time, within scope.
Tools: Html, Sass, Gulp, GitHub, Bootstrap, Node, Terminal, JavaScript, BugHerd, InVision, Photoshop

Front-End Developer | Reitmans | Aug 2018 – Sept 2018
Assisting their team on the personalization project.
Tools: Html, Sass, Css, Suzy, Xhtml, Css, Grunt, InVision, BitBucket, SourceTree, Agile, Scrum, Jira, Commerce Cloud

Web Designer | MML Designs | Aug 2017 - Present
Helping small businesses by creating websites, logos and business card designs.
Tools: Html, Css, Bootstrap, GitHub, WordPress

Education

Responsive Web Design Certificate | freeCodeCamp | 2018
Front-End Web Design | Lab 12 | June 2017
Interior Design | Niagara College | 1995-1997
AutoCAD Operator - Architectural & Mechanical Certificates | Niagara College |1998

Volunteering

Canada Learning Code | **Workshop Mentor** | 2018-Present
Providing support to participants as they learn, explore and get inspired learning.
Tools: Html, css.

HackerNest | **Volunteer** | 2017-2018
Greeter, check-in / collect attendee donations, setup/cleanup

Community Animal Allies of Niagara (**CAAN**) | **Founding Member** | 2006-2009
Assisted with adoptions, organizing volunteers, community relations, served on the board, assisted with CAAN to receive charity status, responsible for the publicity for adoption locations & for the CatMobile to participate in local parades
